

SUMMIT LODGE & SPA

LOCATION

One of Whistler's most beautifully appointed Whistler hotels; the Summit Lodge and Spa provides luxurious accommodations just steps away from both Whistler and Blackcomb mountains.

Located on the north side of Whistler Village the hotels many amenities including the spa and the heated outdoor pool and hot tub prove to be a relaxing haven after a long day of skiing, snowboarding or any of the other activities Whistler has to offer.

Regardless of which season you choose to visit us, you are sure to enjoy all the comforts you would expect from Whistler hotels at the Summit Lodge and Spa.

FEATURES

Summit Lodge's 81, beautifully appointed suites feature granite countertops, custom designed cherry wood furnishings, unique custom tiling, cozy duvets and original artwork. Other features include fireplaces, air-conditioning, balconies and kitchenettes in every suite.

Onsite amenities include an outdoor heated pool and hot tub and a relaxing natural cedar sauna and royal heritage spa. The 24 hour front desk, complete bell and concierge services exemplify exceptional guest services so you don't have to lift a finger if you do not want to.
